

WORLDWIDE  
CLINICAL TRIALS

# SAFETY PRECAUTIONS

Worldwide Clinical Trials is taking multiple steps to help protect our participants, guests and staff during COVID-19. See our enhanced precautions for your clinical trial experience.

**Increase  
sanitization of all  
common and high  
traffic surfaces**

**Hand sanitizer  
throughout  
the unit**

**Wellness and  
temperature checks  
prior to entering  
the building**

**Physical distancing  
during procedures**

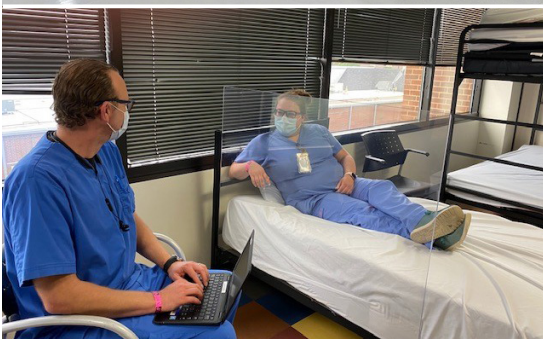

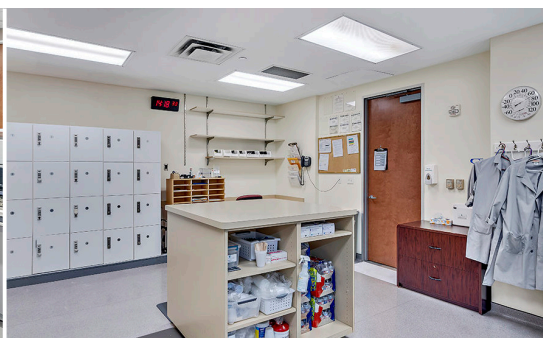

**New plexiglass  
dividers in dorms to  
provide additional  
distancing while  
sleeping**

**Face mask  
required by all  
visitors, employees  
and subjects**

**Employee frequent  
hand washing and  
glove changes**

NO MATTER THE PROTOCOL, NO MATTER THE DRUG, NO MATTER THE CONDITION.  
**ALL YOU NEED IS ONE CPU. ONE WORLDWIDE.**
